The personal information that you provide will be handled in accordance with the Data Protection Act 1998. Any information you provide may be used to compile statistics on the school careers and experiences of pupils from different backgrounds, to help ensure that all pupils have the opportunity to fulfil their potential. From time to time the information will be passed on to the Local Education Authority and the Department for Education and Skills (DfES) to contribute to local and national statistics. The information may also be passed on to future schools, to save it having to be asked for again.
