SAFEGUARDING AND CHILD PROTECTION

1. INTRODUCTION AND RATIONALE FOR POLICY

In line with the Government's vision for all services for children and young people the Governors and all school staff recognise that children have a fundamental right to learn in a safe environment and to be protected from harm. Young people are less likely to learn effectively and go on to lead positive and independent lives if they are not kept healthy and safe. This school is therefore committed to providing an environment which is safe and where the welfare of each child is of paramount importance. This will include a commitment to ensuring that all pupils feel confident that any concerns they may have will be listened to and acted upon.

To this end, the Governors and school staff will be committed to ensuring that all members of the school community are aware of school responsibilities and procedures in this area. This will include communicating policies and procedures effectively with parents/carers, ensuring all staff and relevant members of the Governing Body attend appropriate training and working effectively with other professionals on behalf of children in need or enquiring into allegations of child abuse.

2. AIMS OF POLICY

- To raise awareness of all school staff of the importance of safeguarding and child protection in the Early Years and in particular to make clear responsibilities for identifying and reporting actual or suspected abuse;
- To ensure pupils and parents are aware that the school takes child protection in the Early Years seriously and will follow the appropriate procedures for identifying and reporting abuse and for dealing with allegations against staff;
- To promote effective liaison with other agencies in order to work together for the protection and welfare of all pupils in the early years
- To support pupils' development in ways which will foster security, confidence and independence;
- To integrate a child protection curriculum within the existing Early years curriculum, allowing for continuity and progress through from Nursery through to Reception.
- To support the transition from Reception to Year One
- To make appropriate links and reference to policies in related areas such as discipline and bullying.

3. GUIDING PRINCIPLES FOR INTERVENTION TO PROTECT CHILDREN

The school will ensure that the principles identified below, many of which derive from the Children Act 1989, are followed by all staff:

- All children have a right to be kept safe and protected from abuse;
- Child abuse can occur in all cultures, religions and social classes;
- Staff must be sensitive to the families cultural and social background;
- Children must have the opportunity to express their views and be heard
- If there is a conflict of interests between the child and parent, the interests of the child must be paramount;
- The responsibility to initiate agreed procedures rests with the individual who identifies the concern;
- All staff must endeavour to work in partnership with those who hold parental responsibility for a child
- Information in the context of a child protection enquiry must be treated as CONFIDENTIAL and only shared with those who need to know.
- All staff should have access to appropriate and regular training
- School management must allow staff sufficient time to carry out their duties in relation to child protection and safeguarding

4. RESPONSIBILITIES OF HEAD/DESIGNATED TEACHER

The Governing Body will ensure that the school has identified Designated Senior officers for safeguarding and child protection.

At St Mary's school these designated officers are:

- **Magdalena Tusting**, Designated Safeguarding and Child Protection officer;
- **Jo McInerney**, Deputy Designated Safeguarding and Child Protection officer;

The Headteacher and Designated Senior Teachers undertake the following responsibilities:

- To ensure all Early years staff are familiar with school and Local Authority procedures and guidelines for identifying and reporting abuse, including allegations of abuse against staff;
- To ensure all Early years staff receive training in the above, including staff who are temporary or start mid year
- To be responsible for co-ordinating action and liaising with school staff and support services over safeguarding and child protection issues;
- To be aware of all children within the Early Years who are the subject of a Child Protection Plan or who are Looked After Children and ensure the child's social worker is informed if such children are subject of an exclusion from the school;

5. RESPONSIBILITIES OF SCHOOL STAFF

- b) Early years Staff are expected to provide a safe and caring environment in which children can develop the confidence to voice ideas, feelings and opinions. Children should be treated with respect within a framework of agreed and understood behaviour.

 - Respond appropriately to disclosures from children and young people (stay calm, reassure without making unrealistic promises, listen, avoid leading questions, avoid being judgemental and keep records).

6. APPOINTMENT OF STAFF

The Governing Body is committed to adhering to the principle of safer recruitment when appointing staff taking account of the Department of Education Statutory Guidance "Keeping Children Safe in Education" 2015 and will observe the following safeguards:

- That documentation sent out to potential candidates will make it clear that safeguarding and child protection is a high priority of the school and that

St Marys Catholic Primary School

rigorous checks will be made of any candidate before appointments are confirmed;

- That all references will be taken up and verified by telephoning referees;
- That a reference will always be obtained from the last employer;
- That at interview candidates will be asked to account for any gaps in their career/employment history;
- That candidates will be made aware that all staff are subject to an enhanced DBS check.
- That evidence of relevant checks will be recorded and stored in a single, central location, easily accessible when appropriate and necessary

7. ALLEGATIONS AGAINST STAFF

- a. The School Board recognise that because of their daily contact with children in a variety of situations, including the caring role, teachers and other school staff are vulnerable to accusations of abuse.
- b. The Governing Body further recognise that, regrettably, in some cases such accusations may be true. The Governing Body, therefore, expect all staff to follow the agreed procedures for dealing with allegations against staff. This will initially mean a discussion with the Headteacher and/or the Senior Designated Teacher for Safeguarding and Child Protection.

8. STAFF CONTACT WITH PUPILS

As adults in positions of trust and in order to minimise the risk of accusations being made against staff as a result of their daily contact with pupils, all school staff will adhere to the school's expectations regarding professional conduct and should familiarise themselves with the DfE Guidance regarding reasonable force:

9. Early Years STAFF TRAINING AND SUPPORT

- a. The Governing Body recognise the importance of child protection training for Senior Designated Teachers and for all other school staff who have contact with children. The designated Governor for safeguarding and child protection will have specific training in their role, available from the Local Authority.
- b. The Governing Body expect the Head Teacher and Senior Designated Teachers to ensure that all school staff, including support and ancillary staff, receive training in child protection and that new staff are made aware of school policy, procedures and guidelines when they join the school and receive annual training thereafter in line with best practice.
- c. The Head Teacher is also expected to ensure that all Early Years staff receive regular support in respect of child protection work and know which senior

member of staff to refer to for advice in the absence of the Senior Designated Teacher (s)

- d. The Governing Body recognises its own responsibilities to ensure the school has sufficient resources to effectively deliver its safeguarding responsibilities to the highest standard and to request information as part of the Head Teacher's report regarding the safeguarding practice of the school so any identified gaps are remedied in a timely way.

10. CURRICULUM

The Governing Body believe that the school curriculum is important in the protection of children. They will aim to ensure that the Early Years curriculum development meets the following objectives through the Prime and Specific areas (these are often met through the PSHE and citizenship curriculum):

- Developing pupil self-esteem;
- Developing communication skills;
- Informing about all aspects of risk;
- Developing strategies for self-protection;
- Developing a sense of the boundaries between appropriate and inappropriate behaviour in adults;
- Developing non-abusive behaviour between pupils

11. CHILDREN WITH SPECIAL EDUCATIONAL NEEDS

The Governing Body recognise that children with special educational needs may be especially vulnerable to abuse and expect staff to take extra care to interpret correctly apparent signs of abuse or neglect. Indications of abuse will be reported as for other pupils. The Senior Designated Teacher(s) will work with the special educational needs co-ordinator to identify pupils with particular communication needs and to ensure clear guidance is available for staff in relation to their responsibilities when working with children with intimate care needs.

12. CONFIDENTIALITY

The Governing Body accepts that child protection raises issues of confidentiality, which should be clearly understood by all staff. Reports to the Governing Body will not identify individual children.

13. RECORD KEEPING AND REPORTS

- a. The Governing Body expect all staff to maintain high quality signed and dated child protection records, which separate fact, allegation, hearsay and opinion and which clearly indicate decisions and action taken. These records may in some cases be required in court proceedings.

St Marys Catholic Primary School

'Learning together in Faith and Love'

- b. The Governing Body further expect school staff to assist the Family and Children's Services Department by providing information to contribute to child protection enquiries and for child protection case conferences as required.

14. MONITORING PUPILS ON THE CHILD PROTECTION REGISTER

The Governing Body expects the Head Teacher and Senior Designated teachers to ensure that teachers monitor closely the welfare, progress and attendance of all pupils. Relevant and pertinent information relating to children either subject to a Child Protection Plan or deemed Children in Need will be provided in a timely fashion to Family and Children's Services staff.

15. COMMUNICATING POLICY TO PARENTS AND PUPILS

- a. The Governing Body expect parents and pupils to be informed that the school has a child protection policy and is required to follow the LSCB Guidelines for reporting suspected abuse to the Family and Children's Services Department.
- b. Pupils and parents should know how the school's child protection system works and with whom they can discuss any concerns. They should also be made aware of local or national telephone help lines.

16. MONITORING AND EVALUATING EFFECTIVENESS OF SCHOOL'S POLICY.

The governors require the Head Teacher to report to them annually on the effectiveness of the school's child protection policy and on associated issues in the school over the preceding year.

17. CHILD PROTECTION IN RELATION TO OTHER SCHOOL POLICIES

This child protection policy should be read in conjunction with other relevant school policies such as behaviour and discipline, anti-bullying and use of restraint and equality policies.
